

# California Payroll: Comprehensive Labor Law Compliance with PosterElite

Henry Lonsdale from California Payroll shares how partnering with PosterElite has enhanced their ability to provide comprehensive labor law compliance solutions to their diverse client base.

*"PosterElite has provided us with simple and reliable solutions like the E-Update and Poster Replacement services for clients needing physical labor law posters," Henry explains. "Recently, we've also added the ePosterCenter to our suite of solutions to support clients with remote employees."*

## Key Benefits:

Competitive positioning in the market.

Increased revenue and client retention.

Enhanced client satisfaction.

Improved operational efficiency.

## Client Impact:

- 117 current subscriptions for poster compliance services.
- All 350 clients offered poster compliance solutions, including single-employee companies.

*Henry emphasizes, "We value the overall partnership and abundance of expertise. We can rely on PosterElite and their team to provide our clients with compliance solutions they can trust."*

## Partnership Overview:

California Payroll now confidently offers PosterElite's comprehensive services to their clients, strengthening their position as a trusted payroll provider.

## Henry's Verdict:

*"We appreciate the relationship we've built together and that PosterElite puts in the time and effort to give us solid guidance we can trust. We would recommend PosterElite to other businesses."*

## About California Payroll:

California Payroll is a California-focused payroll and HR services firm that simplifies payroll operations for businesses of all sizes—from single-employee startups to companies with over 10,000 employees—across all 50 states, with a special emphasis on navigating California's complex regulations using powerful, user-friendly software and dedicated support. Partnering with PosterElite enables them to offer hassle-free E-Update Service, poster replacement, and digital ePosterCenter solutions across their entire client base, effortlessly expanding value and compliance under one trusted roof.
