

Vested HR: Streamlining Compliance with PosterElite

Karen Wiewiura from Vested HR shares how partnering with PosterElite has transformed their labor law poster management process and improved client satisfaction.

“PosterElite has provided a complete solution, streamlining our process with E-Updates, saving time internally, and eliminating compliance gaps,” Karen explains. “It was the perfect solution to transition from our internal management to a vendor-supported system.”

Key Benefits:

-  Increased client retention and satisfaction.
-  Significant operational efficiency gains.
-  Comprehensive compliance solution for a larger client base.

Client Impact:

- All 150 clients offered labor law poster services.
- Enhanced solution leading to happier clients.

Karen emphasizes, *“The experience has been absolutely wonderful! We’re excited to bring on new clients and offer PosterElite’s service.”*

Partnership Overview:

Vested HR now confidently manages labor law poster compliance for their entire client base, streamlining operations and improving overall service delivery.

Karen’s Verdict:

“We would recommend PosterElite to other businesses. The white-labeling, rollout process, elimination of compliance gaps, and time savings stand out as key aspects of the partnership. It’s been an enhanced solution that has made our clients very happy.”

About Vested HR:

Vested HR is a nationwide PEO offering payroll, HR, tax management, benefits administration, and compliance support to small and mid-sized businesses—with a “human-focused,” transparent approach that prioritizes responsive, personalized service. By incorporating PosterElite’s automated labor law poster compliance program—including fully managed E-Update services and digital access solutions—Vested HR now delivers compliance to all 150 of its clients, eliminating internal administrative overhead and closing compliance gaps entirely.
