

WorkSmart Systems: Streamlining Compliance with PosterElite

Vanessa O'Brien from WorkSmart Systems shares how partnering with PosterElite transformed their labor law compliance processes and enhanced operational efficiency.

"PosterElite has made our process incredibly easy and efficient, ensuring compliance without additional strain on our resources," Vanessa explains. "We can now shift our focus to other client needs with confidence, knowing that compliance and poster updates are being managed seamlessly."

Key Benefits:

-  Streamlined operations by automating poster updates and order processing.
-  Reallocation of internal resources to focus on critical client needs.
-  Improved accuracy and timeliness of compliance updates.
-  Enhanced client satisfaction through reliable compliance management.

Client Impact:

- 450 clients offered labor law poster services.
- Increased operational efficiency and client satisfaction.

Vanessa emphasizes, "Their support has not only simplified our workflow but has also provided peace of mind, knowing that this essential aspect of compliance is handled reliably."

Partnership Overview:

WorkSmart Systems now confidently offers PosterElite's services to their clients, strengthening their position as a trusted PEO partner.

Vanessa's Verdict:

"It has been a wonderful experience overall. Everyone at PosterElite has been attentive to our needs and has consistently kept the lines of communication open. Their responsiveness and support have been invaluable, making our partnership even more effective and seamless."

About WorkSmart Systems:

WorkSmart Systems is an Indianapolis-based Certified Professional Employer Organization (CPEO), founded in 1998, that provides comprehensive HR, payroll, benefits, compliance, and performance management services to over 500 small and mid-sized businesses across approximately 47 states, covering more than 14,000 employees. By partnering with PosterElite, WorkSmart has seamlessly automated labor law poster updates and order processing—delivering reliable E-Update services and compliance management to 450 clients without adding internal strain.
